Docket No. 98N-1265 95 '99 MAR 24 110:36
Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have received Progesterone 300 mgm -
individually compounded, for over a year
now, from Modern Pharmacy Associates.
This Rx has effectively relieved my symptoms
and makes it possible for me to enjoy
enhanced quality of life, in balancing my
hormonal equilibrium in a natural and
safe way.
